***“Wish List” For N. C. Room,  
Richard H. Thornton Library***

We are including a wish list for the North Carolina Room to hopefully get some research materials that we do not have, but would love to get.

If you wish to donate a book in memory of a loved one or a friend, a book from this list would be greatly appreciated for our library. What better way to remember that loved one. Or you may have one of these already in your possession and you are no longer using it, then donate it to our North Carolina Room.

## EPIDEMICS

In case you ever wondered why a large number of your ancestors disappeared during a certain period in history, this might help.

Epidemics have always had a great influence on people—and thus influencing, as well, the genealogists trying to trace them. Many cases of people disappearing from records can be traced to dying during an epidemic or moving away from the affected area. Some of the major epidemics in the United States are listed below.
