**Membership**

Membership is open to anyone with an interest in the genealogical research and preservation of materials that might aid in family research in Granville County or elsewhere. Membership in the Society includes: individual membership \$15.00 and family membership (receiving one mailing) \$20.00.

Members in the Society receive the Society Messenger Newsletter and the Granville Connection Journal. Membership is for one year and renewal date will be one year from joining date. These are mailed out in March, June, September and December each calendar year.

**Editorial Policy**

The Granville Connections Journal places its emphasis on material concerning persons or activities in the area known as Granville County in 1746. This includes present day Warren, Franklin, and Vance County. Members are encouraged to submit material for publication. The editorial staff will judge the material on relevance to area, interest, usefulness and content. Members are encouraged to submit queries for each journal. Each submission should be fully documented, citing the sources or it will not be printed. Submissions will not be returned, but will be placed in the North Carolina Room at the Richard H. Thornton Library in Oxford, North Carolina, which is the repository of the Society. The Society publication committee cannot assume responsibility for errors in submissions for publication. Corrections will be noted in subsequent issues.

## From the President--

Finally we get to complete the June Journal and Newsletter. With too many interruptions and problems from electrical to everything else happening we are hopefully off to a better time in life. My electrical problem took out some appliances along with my battery backup for my computer. I could not have on more than one thing on at a time, due to the shortage in the wiring in the house. Needless to say I had to learn to operate the machines at the laundermat that I had forgot over the years. Thanks to the electrician after waiting from May to the end of August for clearing up the problem. When you live in an old house you can expect these types of problems.

~~~~~  
**Time to remind members about your dues. If you have not paid your yearly dues please do so. Your renewal date is on the mailing label of your "Journal". Where else can you get this much research information for fifteen dollars a year?**  
~~~~~

### VERY IMPORTANT

**We are looking for old Oxford Public Ledgers from 1944 through 1966 for the North Carolina Room. The publications of this paper for this period of time were destroyed before thoroughly checking to see if the library had microfilm to back them up. This period of time was very important to the county. If you have even one copy of the paper during this time please let our library make a copy of it, especially if you do not want to give your copy away. "Please" help us out here.**  
~~~~~

Now to the news of the website. Our webmaster never ceases to amaze me. He is now working on getting our Journal and Newsletter on the website so we can cut down on the cost of them. We are below our 200 mark to qualify for bulk mailing, so that means our mailing will cost more than before..  
~~~~~

**Now this is important PLEASE RESPOND . We need to know if you would accept the Journal and Newsletter through the website or a hard copy through the mail. The website will be set for members only so non-members will not have access to these.**

### **Please email or snail mail us your response**

You can email me [mildredgoss@nc.rr.com](mailto:mildredgoss@nc.rr.com) or Allen Dew at [allendew44@gmail.com](mailto:allendew44@gmail.com) We need this information to get our records straight before we go public on the website.  
~~~~~

Visit our website [gcgs.org](http://gcgs.org) often to see what changes have been made. We are getting some new members and renewals since this area has been added. We are very pleased with this change  
~~~~~

Now is a good time to get your research To-Do list together so when that vacation time rolls around you will have everything ready to go for that successful trip this summer. We know that you can do a lot of research at home through the internet, but that is not the same as touching the original document. You have to be extra careful with the information on the internet due to wrong information being posted. Especially on the family trees. Sources are never posted on some and this is where you will have the most trouble.  
~~~~~

Please take a second look at the Acquisitions in our Journal. We are being blessed with so many new and exciting additions to our North Carolina Room. And on the same note I was appointed to serve on the Board of Trustees for the Granville County Library System for the next three years. And you know where my heart is when it comes to the library. It is always on what and how we can improve the North Carolina Room.

I am running out of space so happy researching until next time.

Mildred

“DEATHS [none recorded]”

**[Obituary from a Franklin County, North Carolina newspaper placed in this Bible:]**

“William Rowe

On August 17, the Death Angel came into our midst and claimed the life of our friend and

neighbor, William Rowe.

William Rowe, Jr. was born Oct. 5, 1846 and died Aug. 17, 1917, having reached the ripe old age of seventy years. He was married to Priscilla Tharrington Dec. 1872 and to them were born 9 children.

He leaves a devoted wife, and five children, viz; W. E. Rowe, of Louisburg; N. H. Rowe Moulton, S. C.; C. S. Rowe, Mrs. J. W. Ayscue, of Alert; Mrs. R. J. Turner, of Henderson, who have our deepest sympathy.

The interment was made in the beautiful little cemetery at Corinth Baptist church, where he had been a member for fifteen years.

Our brother had been a sufferer for 16 months, but bore his sufferings with Christian fortitude, and died trusting in his God.

‘How firm a foundation, ye saints of the Lord! Is laid for your faith in His excellent word!  
What more can he say, than to you he hath said, to you who for refuge to Jesus hatched!’  
A. F. P.”
